CAREER OBJECTIVE:-

Creative and driven Computer Science Engineering student with a deep interest in UI/UX design, frontend development, and intelligent automation. Adept at turning concepts into interactive digital experiences through clean code and thoughtful interfaces. Currently exploring Python-based AI projects while building responsive web applications. Passionate about continuous learning and seeking opportunities in a collaborative tech environment.

EDUCATION

Dr. Akhilesh Das Gupta Institute of Professional Studies (GGSIU)

- **Bachelor of Technology – Computer Science Engineering** | 2024 – 2028

Gagan Bharti Public School

- **Senior Secondary (CBSE – Class 12th)** | 2023 – 2024
- Percentage: 85%

SKILLS

Languages: Python, JavaScript, C

Web Development: HTML, CSS, JavaScript, React

Frameworks/Tools: Figma, Canva, Git, GitHub

Soft Skills: Creative Thinking, Communication, Teamwork, Problem Solving

POSITION OF RESPONSIBILITY

- **Ex Content Head** – Word Wizards, Official Student Development Society of ADGIPS

Leading creative and content initiatives, managing team tasks, and overseeing projects that enhance student engagement through writing and digital communication.

- **Participant** – Smart India Hackathon (SIH) & SDI'25 Final Round

Collaborated with a team to pitch innovative tech solutions at national-level competitions.

PROJECTS

- **Finding Myself in the Lies**

HTML, CSS, JS | Personal Branding | Netlify

Designed and deployed a book website aligning UI/UX with storytelling elements. Features include an About section, Author bio, and Excerpts page.

[Live Site](#)

- **Delta_Front – Clothing Store Frontend**

HTML, CSS, JavaScript | UI/UX Focused | Netlify

Built a fully responsive frontend for a mock e-commerce brand with intuitive navigation and interactive cart features.

[Live Site](#)

- **JARVIS – Python AI Assistant**

Python | Voice Recognition | Automation

Inspired by Marvel's JARVIS/FRIDAY, built a voice-controlled assistant to open apps, fetch web data, and speak responses using TTS.
